

Benjamin's Coffee & Beverage Service now features KUERIG coffee brewers, perfect for any size office.

Keurig Brewing Systems were developed with convenience and ease-of use in mind. Select the commercial brewer that meets the needs of your office or business. From the breakroom to the boardroom Keurig delivers coffee house taste and one-cup at a time convenience.

With a variety of gourmet branded coffees and teas available, each person's own perfect cup is ready in under a minute. We feature **Green Mountain Coffees & Teas**.

There's no waiting, no mess, no waste, no cleanup, and best of all, no one leaving the office! All of our brewers use the Keurig K-Cup portion pack.
